## REWARD OF FIVE THOUSAND

**For Defaulter Alford's Arrest—**  
Hunt for Him Everywhere.  
New York, Oct. 26.—A reward of \$5,000  
will be offered by the First National  
bank for the arrest and detention of the  
defaulting note teller Cornelius L. Alford.  
This conclusion was arrived at after a long  
conference of the bank officials with  
Captain McCloskey of the detective bureau.  
The Evening Telegram today prints the  
statement that Alford was taken to  
and is still in a sanitarium not far from  
Mount Vernon. The assertion is made  
that when the defaulter knew that he had  
been detected in his stealing, he com-  
pletely collapsed.

**Von Moltke's Centennial.**  
Berlin, Oct. 26.—The one hundredth  
birthday of the late field Marshal Von  
Moltke was marked today by Emperor  
William, who issued a general army or-  
der extolling Von Moltke, thanking Provi-  
dence for giving the fatherland such a  
man, and expressing the hope that the  
army "will emulate his martial virtues  
and thus derive strength for the ful-  
fillment of the exalted and difficult mis-  
sion assigned to it."

"For three days and nights I suffered  
agonies untold from an attack of cholera  
morbus brought on by eating cucumbers,"  
says M. E. Lowther, clerk of the dis-  
trict court, Centerville, Iowa. "I thought  
I should surely die, and tried a dozen  
different medicines but all to no purpose.  
I sent for a bottle of Chamberlain's  
Colic, Cholera and Diarrhoea Remedy, and  
three doses relieved me entirely." This  
remedy is for sale by all druggists.

Paris, Oct. 26.—Le Courrier Du Sud says  
it understands that the Prince of Wales  
visited the exposition here last June, but  
that, on account of the expressed desire  
of the prince, their stay was kept an  
absolute secret.

is hardly necessary that any one should  
tell you that you need a few doses of  
Chamberlain's Cough Remedy to allay the  
irritation of the throat, and make sleep  
possible. It is good. Try it. For sale by  
all druggists.

**Bank wrecker Is Sentenced.**  
Louisville, Ky., Oct. 26.—In the federal  
court today J. M. McKnight, former presi-  
dent of the German National bank of  
Louisville, recently convicted on the  
charge of embezzling the bank's funds,  
was sentenced to five years imprisonment  
at hard labor. His attorneys were  
granted a writ of error and he was re-  
leased on \$12,000 bond.

The editor of the Fortville, Ky., Miscel-  
laneous, writes as a postscript to a busi-  
ness letter: "I was cured of kidney  
trouble by taking FOLEY'S KIDNEY  
CURE." Taking nothing else. G. Gehring,

**Murder Mysteries Cleared Up.**  
Vancouver, B. C., Oct. 26.—Yip Luck, a  
Chinaman under sentence of death for  
the murder of Chief of Police Main of  
Skeena, has confessed that he killed an  
Indian on the Fraser river several  
years ago and a negro named Yale also  
on the Fraser. Both murders were  
committed with an axe, and were mys-  
teries to this time.

**It Happened in a Drug Store.**  
"One day last winter a lady came to  
my drug store and asked for a brand of  
cough medicine that I did not have in  
stock," says Mr. C. R. Grandin, the popu-  
lar druggist of Ontario, N. Y. "She was  
disappointed and wanted to know what  
cough preparation I could recommend. I  
said to her that I could freely recom-  
mend Chamberlain's Cough Remedy and  
that she could take a bottle of the reme-  
dy and after giving it a fair trial if she  
did not find it worth the money to bring  
back the bottle and I would refund the  
price paid. In the course of a day or two  
the lady came back in company with a  
friend in need of a cough medicine and  
advised her to buy a bottle of Chamber-  
lain's Cough Remedy. I consider that a  
very good recommendation for the reme-  
dy." It is for sale by all druggists.

**IT IS MORE RACE HATED**

**Then Actual Labor Trouble, at Valley**

Montreal, Oct. 26.—There are now on  
duty at Valley Field guarding the exten-  
sive works of the Dominion Cotton com-  
pany twenty-five officers and 554 non-com-  
missioned officers and men of the  
Royal Scots, Victoria Rifles and garrison  
artillery, augmented by a battery com-  
posed of the Victoria Rifles and a Max-  
im gun. The sending of reinforcements was  
decided on late last night after the first  
detachment had come in collision with  
the strikers, resulting in nine of their  
men being wounded. The Scots were  
practically at the mercy of the strikers,  
as Colonel Hutton was unable to find a  
magistrate who was willing to read the  
riot act. The officers had to content them-  
selves with firing their revolvers into  
the air. In the meantime the men were  
used for a fusillade of stones and  
other missiles. The town is largely  
French-Canadian and has at all times  
been a hot-bed of race-hatred, culminat-  
ing in trouble recently over the employ-  
ment of Englishmen in the mills, where  
there are some 4,000 employees paid by  
English capital. Although the present  
trouble is on account of the refusal on  
the part of the mill management to re-  
cognize the union in the matter of a de-  
mand for more pay for the men working  
on the construction of the new mill, the  
difficulty has all the appearance of assum-  
ing the old phase of racial antagonism,  
and being added to the flames by the  
British red coats from Montreal. A de-  
tachment of the Duke of York's Royal  
Canadian Hussars (Cavalry) is under  
orders to proceed to Valley Field. Only  
one striker was wounded last night. He  
was shot in the arm and is not seri-  
ously injured. Four hundred more are  
expected to be on duty this morning.  
The town is now under martial law.

## BREACH OF PROMISE

Against One of Mississippi's  
United States Senators

BY MISS LUCY LEETON

Who Sues for \$50,000 and  
Tells Sensational Stories.

Washington, Oct. 26.—A suit for \$50,000  
damages for breach of promise against  
United States Senator William V. Sulli-  
van of Mississippi was filed in the Dis-  
trict of Columbia supreme court this af-  
ternoon by Miss Lucy Leeton, of Oxford,  
Miss. The plaintiff in her affidavit alleges  
that she, "an unmarried woman, at the  
request of the defendant undertook and  
promised to marry him, and the defend-  
ant undertook and promised to marry  
the plaintiff, which he without cause or  
right has refused to do." The plaintiff  
claims that she met Senator Sullivan  
about October 7, 1895, in his law office at  
Oxford, he being employed to defend her  
brother-in-law. She claims that he made  
protestations of affection for her "and  
began by wiles and artifices to induce  
the plaintiff to accompany him on a journey  
to Chattanooga, Tenn." Plaintiff claims  
she refused to go with him but allowed  
him to correspond with her. She was at  
that time married but not living with her  
husband.

Plaintiff said Senator Sullivan promised  
to secure a divorce for her and "that he  
would keep her forever with him and she  
should occupy as high a position as any  
lady in the land." About December 1,  
1895, the plaintiff, at the request of the  
defendant, went with him to New Or-  
leans. In January, 1896, according to the  
affidavit filed today, the defendant placed  
plaintiff in Nelson's business college at  
Memphis, Tenn., paying her tuition and  
board. In May, 1897, he secured a divorce  
for her.

The affidavit then alleges that May 19,  
of that year, plaintiff and defendant lived  
together in Alexandria, Va., as Mr. and  
Mrs. W. L. Burton. He introducing  
plaintiff as his wife. Later he placed her  
in the Fausquier Female Institute in  
Warrenton, Va., as his niece, where she  
remained from January to June, 1898, the  
defendant writing her every day and  
promising her he would marry her in the  
summer.

During this time plaintiff claims she  
had an office of marriage from a young  
man who lived near her home, and asked  
the defendant to consent to break off  
their relations. The latter, she claims,  
urged that she should not marry the  
young man but wait and marry him the  
following summer.

The affidavit also recites that the  
couple lived together in Washington and  
that the defendant finally notified plain-  
tiff that he was not financially able to  
marry her. Also that plaintiff, hearing  
defendant was ill, in June, 1898, came to  
Washington to see him and found him  
rooming with a woman he had brought  
from Holly Springs, Miss. She claims  
that the defendant offered her \$1,000 to go  
home and not express him before said  
woman. The plaintiff refused to do this  
and claims that the defendant abused her  
and left her without money, friends or  
means to live on.

Memphis, Tenn., Oct. 26.—The records of  
Nelson's business college show that Miss  
Lucy Leeton of Lyons, Miss., was a pupil  
in 1896 and that she was placed there by  
W. V. Sullivan of Oxford, Miss.

tion or in the abatement of the smoke  
nuisance and which is sustained by the

**Coffee Drinkers Become Slaves.**

"The experience, suffering and slavery  
of some coffee drinkers would be almost  
as interesting as the famous 'Confessions  
of an Opium Eater,' says a Boston man.  
J. T. Jones, 11 West Newton street.  
"For twenty years I have been a coffee  
drinker. I have drunk it at the break-  
fast table and, incidentally, through-  
out the day. I craved it as a whiskey drink-  
er craves for his morning brandy. I knew  
perfectly well that it was slowly killing me,  
but I could not relinquish it."  
"The effect on the nervous system was  
really alarming and my general health  
greatly impaired. I had dyspepsia, seri-  
ous heart difficulty, and insomnia. When  
I would lie down, I would almost suffo-  
cate. My doctor assured me it was  
due to the action of caffeine (which is  
the active principle of coffee) on the heart."

"I persisted in its use, however, and  
suffered along just as drunkards do. One  
day when I was feeling unusually de-  
pressed, a friend whom I met, looked me  
over and said: 'Now, look here, old man,  
I believe I know exactly what's the  
matter with you. You are a coffee fiend  
and it's killing you. I want to tell you  
my experience. I drank coffee and it  
ruined my nerves, affected my heart, and  
made me a shallow, bilious old man, but  
through a friend who had been similarly  
afflicted, I found a blessed relief and  
want to tell you about it. Try Postum  
Food Coffee, a grateful, delicious bever-  
age, full of nourishment, that will satisfy  
your taste for coffee without hurting your  
system back into health, rather than  
tear it down as coffee has been doing.'"  
"I took my friend's advice and within  
a week from that time my digestion  
swelled perfect, I slept a sweet, refresh-  
ing sleep all night, and my heart quit his  
quivering and jumping. I have been  
steadily gaining in health and vitality  
right along."

**Piece-work Question Makes Trouble.**  
Quebec, Oct. 26.—Thirty shoe factories  
employing 1,000 men have shut down as  
the result of difficulties between the  
union and the manufacturers. The trouble  
grew out of the refusal of a union man  
to work for weekly wages instead of  
piece-work. He was discharged, however,  
a non-union man engaged. As a result, all  
the men in the factories went out. The  
manufacturers' committee thereupon de-  
cided to shut down until a better under-  
standing is obtained.

**HERE'S A FILIPINO VICTORY**  
At the Almost-Bryan Ratio of 14 to 1.

Washington, Oct. 26.—The war depart-  
ment today received a dispatch from Gen-  
eral McArthur giving an account of a  
fight in which a small detachment of the  
America troops attacked a much superi-  
or force of Filipinos. The dispatch fol-  
lows: "Manila, Oct. 26.—Adjutant-General,  
Washington, Oct. 26.—First Lieutenant  
Fyfe, forty men, company H, Thirty-  
third regiment United States infantry vol-  
unteers, Second Lieutenant Grayson V.

west of Marikina. Insurgents, Luzon,  
developed strong position occupied by  
600 riflemen, 1,000 bolomen, under com-  
mand of Juan Villamor, subordinate of

most creditable to force engaged, though  
under heavy pressure overwhelming num-  
bers. Our troops compelled to return,  
which was accomplished in tactical  
orderly manner. Acting Assistant Sur-  
geon Bath and civil teamster captured  
early in the fight, were released by Villa-

surgents much stronger than reported  
here in their force. Moderate estimate,
